

## PRODUCT DATA SHEET

**MEDAL  
SUGAR SOAP**

<b>No</b>	<b>MPA03</b>
<b>Date</b>	<b>04/11</b>

Medal products are manufactured to the highest quality and performance standards to ensure complete customer satisfaction.

### DESCRIPTION

Medal Sugar Soap is a mild but strong cleaner that has been specifically developed to remove dirt, wax, grease and grime from a painted surface. This product is supplied in a white powder form, which is diluted with water to create a liquid soap solution.

### PRODUCT USES

- To remove Grease and Grime from Walls prior to Painting.
- A General-Purpose Cleaner suitable for cleaning Ceramic Tiles, Sinks, Wash Basins and Painted Floors.
- Suitable for Acrylic Pva (water-based) and Enamel (solvent-based) painted surfaces.

### PRODUCT BENEFITS

- General Purpose Cleaner
- Removes Grease & Grime
- Water Soluble Powder
- Apply with Sponge or Cloth
- Interior & Exterior Use
- Quality Guaranteed

### SURFACE PREPARATION

Surface/s must be thoroughly clean, dry and in sound condition before commencing work. For more information refer to Application for more details.

**Precautions:** This product is not suitable for use on wooden surfaces such as floors and doors etc. Do not over dilute this product with water. Use clean fresh water (change regularly) when removing the soapy substance from the surface.

### APPLICATION

Empty contents into a container and mix to a ratio of one cupful of Sugar Soap to 5 litres of warm or hot water. Stir contents thoroughly before use. Apply this product by using a sponge or cloth gently wiping the dirt from the surface. Repeat this process again if necessary. Wash the walls with fresh clean water to remove any dirt marks left behind.

### COLOUR RANGE

Not applicable.

### SPREADING RATE
